

Summer 2013

The LEGACY Girls Study

It's Summertime!

What is the most popular pet for Philly Legacy girls?

Answer on next page.

Check out the names of some of the LEGACY girls' pets and stuffed animals on the borders of this newsletter!

We hope you are having fun as the weather is getting warm! We are excited to share updates with you from the past few months.

UPDATES

The Philadelphia site enrolled our 150th girl on May 18, 2013! We are so grateful for your continued support! Thank you for your time and help with this important research.

Shorter will begin graduate school for a PhD in Psychology and Kyle Smith will begin Medical School in August. Good luck to Lauren, Rebecca and Kyle!

Three of our team members are moving on to new adventures this summer. Lauren Brumley and Rebecca

We are excited to welcome a summer intern and editor of our newsletter, Sarah Weingarten, and new employees, Dare Henry-Moss and Eliana Butler!
